

Call for Papers

Have you done anything really interesting this year?

Have you been involved in a new project that others might like to hear about?

Have you been doing something for a long time that others could learn from?

If so come and share your experiences and expertise with us at the IMI Annual Conference at the **East Midlands Conference Centre and Nottingham Orchard Hotel** in October this year.

This invitation, open to members and non-members of IMI, calls for abstracts for scientific papers and workshops. We will also welcome abstracts for the New Voices session. New Voices presentations are 10 minute talks given by first time speakers – A year's IMI membership is up for grabs for the best New Voices presentation.

Suggested themes include:

- New and novel uses of technology applied to photography, video or design in healthcare.
- Design and illustration opportunities in medical healthcare education.
- Social media and its use in healthcare communications.

- Workflows and imaging technique, as well as novel medical visualization techniques.
- Managing in challenging times.

This list is not exhaustive; we would also welcome presentations based on traditional photography, design and video within the healthcare setting.

What we need

If you are interested in taking part, please submit an abstract (using the form below). This should include a concise (no more than 200 words) description of your talk, detailing the project, issue or technique and the lessons you would like the audience to learn from your session.

We would also like a brief biography; who you are, where you work and your role in the field (no more than 50 words). Please also supply a portrait headshot (jpeg, 300 dpi).

Submission

Only electronic submissions will be accepted (see entry form).

Note:

Speaking at conference is viewed as a CPD activity and contributing to the profession. Speakers are therefore responsible for their own expenses including registration,

accommodation and travel costs (all IMI members are invited to apply to the Pat Turnbull travel fund for assistance with their travel costs – see IMI web site for details). Speaking at the meeting can also provide the justification for attending and lead to support from your organisation.

Scientific paper abstracts should be submitted to:

Becky Lee
rebecca.lee@ouh.nhs.uk

or

Maytyra Tiren
maytyra.tiren@bsuh.nhs.uk

Workshop abstracts should be submitted to:

Simon Edwards
simon.edwards@uhb.nhs.uk

or

Kim Baxter
kim.baxter@addenbrookes.nhs.uk

New Voice abstracts should be submitted to:
